

ASDA have a recycling bin for plastic bags and plastic film just at the entrance so have a look next time you are there.

Writing Instruments

This programme includes all brands of spent biros, marker pens, highlighters and fluid pots.

Visit Penryn College, Kernick Road, Penryn (next to the Rugby Ground).

Collection box in reception area. Funds raised go towards School Projects

Crisp Packets

All brands of empty crisp packets are accepted.

The principal collection point in Falmouth for packets (bagged or boxed) is currently sited at the Falmouth Community Fire Station in Trescobeas Road.

Falmouth Garden Centre continue to host a drop-off point for empty packets at their premises at Golden Bank, near Swanpool Beach TR11 5BH. Packets collected are also taken to Falmouth Fire Station to support the Firefighters Charity.

Other collection points include the Falmouth Information Service and the Foyer of the Library both on the Moor, Falmouth

Oral Care Products

This programme accepts all plastic toothbrushes, spent tubes and caps, plus electric and battery toothbrush heads, floss and toothpaste cartons.

At the time of writing there is no collection point listed for Oral Care Products in the Falmouth/Penryn Area. The nearest collection point is in Truro at the Oak House Dental Practice in St. George's Road, Truro TR1 3JE

Acuvue Contact Lens Recycling Programme

All types of contact lens, blister packs and foil covers are accepted.

Visit Boots Opticians, 27, Market Street, Falmouth – collection box in store.

Reynolds & Slater Opticians, 23-27 Berkeley Vale, Falmouth also offer a recycling point for all contact lenses, their plastic and foil packaging and cases.

Pet Food Flexible Plastic Packaging

All types of flexible plastic pet food bags and pouches are accepted.

Visit UpCycle Kernow, Porteath Retail Park, Portreath TR16 4QL

Large container sited outside the building.

Upcycle Kernow is based well outside the Falmouth area on the north coast, near Portreath, but is included here because pet food plastic packaging accounts for a considerable amount of black bag waste for many pet owners, and is well worth the trip to support their innovative work.

A wide range of other hard-to-recycle items are also accepted including Confectionery Packets, Pringles Cans, KP Snacks and Nut Packets, Oral Care Products (plastic toothbrushes/tubes) and Bread Bags.

Give Upcycle Kernow a call on 07766.765756 or email upcyclekernow@gmail.com for more details.
