

BUDOCK PARISH COUNCIL

STATEMENT ON INTERNAL CONTROL

1. SCOPE OF RESPONSIBILITY

Budock Parish Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, that public money is safeguarded and properly accounted for, and that it is used economically, efficiently, and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control as required by Section 2 of the Annual Return – Annual Governance Statement.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively, and economically.

The system of internal control has been in place at the Council for the year ended 31 March 2017 and continued up to the date of approval of the annual report and accounts. Except for the details of any significant internal control issues recorded at section 5, it accords with proper practice.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council has appointed a Chairman who is responsible for the smooth running of meetings and for ensuring that all Council decisions are lawful.

The full Council usually meets ten times each year and monitors progress against its aims and objectives at each meeting by receiving relevant reports from the Parish Clerk.

The Council conducts regular reviews of its internal controls, systems, and procedures.

The Clerk also ensures that the Council's procedures, control systems and policies are adhered to.

- the full Council.
- the Clerk to the Council / Responsible Financial Officer who has responsibility for the development and maintenance of the internal control environment and for managing risks.
- the independent Internal Auditor who reviews the Council's system of internal control.
